NEWS FROM L.A.M.S IN ALASKA

BARANOV MUSEUM CLOSED FOR FEBRUARY

We recently received this message from the Baranov Museum in Kodiak:

The Baranov Museum will be closed for the month of February. We are happy to arrange a special opening for any interested guests during this time. Please call us at 486-5920 to set up an appointment.

Even though the museum will not be open for regular hours, we still have plenty of events going on throughout February!

NEW VIDEO TUTORIALS FOR ALASKA'S DIGITAL ARCHIVES

Paul Adasiak, Metadata Coordinator for the Rasmuson Library at UAF recently posted three video tutorials on Alaska's Digital Archives (ADA):

- The Front Page of Alaska's Digital Archives (4 minutes, 47 seconds)
 - <http://www.youtube.com/watch?v=GxIOvU8d9AM>
- Basic Searching in Alaska's Digital Archives (3 minutes, 18 seconds)
 - <http://www.youtube.com/watch?v=b1AiMphaOcA>
- Working with Results in Alaska's Digital Archives (4 minutes, 54 seconds)
 - <http://www.youtube.com/watch?v=SNz60xc8M1U>

All are aimed at the beginning user, but, since some search features have changed since the last version, there will probably be something here for everyone who uses ADA.

If you have suggestions for a short video tutorial on some aspect of ADA, please e-mail me (off list!) with your ideas: pfadasiak@alaska.edu.
