CONDITIONS

- All rights are one time, non-exclusive use per publication or production.
- An Image Use Agreement form must be completed and authorized if specific objects are filmed or photographed.
- The Museum may determine that the proposed project requires working after public hours. A service fee of \$40.00 per hour per employee will be charged for projects completed after public hours. At least 2 museum employees must be present.
- A service fee of \$50.00 per hour may be charged for staff services during public hours.
- **CREDIT LINE:** If the material is published in any manner, a credit line must appear in the final production or product: ***"Filmed or Photographed on location at the Alaska State Museum in Juneau Alaska."*** An additional credit line may be required if a specific object is featured in the film or photograph; see the Image Use Agreement form if this is necessary.
- The photographer is responsible for obtaining written consent from individuals that will be filmed or photographed during the project.
- Authorization will be granted when this agreement is completed and signed by Museum staff and payment is received in full.
