

## ASM Museum Chat

Jan 16, 11 am  
Session 27

Daniel Cornwall (LAM)	10:42 AM
Hi Scott	
Text only today?	10:42 AM
Scott Carrlee (ASM)	10:42 AM
Hi Daniel, yes just text only today	
Daniel Cornwall (LAM)	10:56 AM
I'm surprised we haven't seen anyone yet, but guest link appears to work.	
Scott Carrlee (ASM)	10:57 AM
yeah I hope they are not have trouble with this new version	
It might be that I just did not get word out in advance	10:57 AM
I usually send an email on Monday but I was so busy with this grant deadline	10:58 AM
Daniel Cornwall (LAM)	10:58 AM
Ah. Great work in finding people willing to come to Juneau to train and move!	
Scott Carrlee (ASM)	10:59 AM
Yes it will be a great project if it gets funded (and a big disappointment if it does not)	
Maybe it will just be me and you on the chat	10:59 AM
Oh I know that there is also a webinar going on at the moment	10:59 AM
I think there are a number of people on that	11:00 AM
Daniel Cornwall (LAM)	11:00 AM
BTW, I'm going to the AkLA conf in Valdez in March. If you happen to need anything sent there that can wait, I can take it for you.	
Scott Carrlee (ASM)	11:00 AM
good to know	
Daniel Cornwall (LAM)	11:00 AM
Ah - multiple options for webinars.	

Scott Carrlee (ASM) 11:00 AM  
It seems like there is always something that needs to go somewhere

Daniel Cornwall (LAM) 11:00 AM  
As long as I don't have to have it handcuffed to my wrist.

Scott Carrlee (ASM) 11:01 AM  
Well it would not bother me if this was a short or non-existent chat because of the ground breaking ceremony at noon

No hand cuffing. I did have to hand carry the moon rock when it went around the state for the Benny Benson show. 11:01 AM

It was not the one we just got back 11:02 AM  
Hmmm we have never had no one show up? 11:02 AM

Daniel Cornwall (LAM) 11:03 AM  
Nope - always had at least 4 or 5, usually more.

Scott Carrlee (ASM) 11:03 AM  
By this point in time at least

Daniel Cornwall (LAM) 11:03 AM  
I'd suggest giving it till 11:05, though I'm willing to wait longer if you are.

Scott Carrlee (ASM) 11:04 AM  
I say we wait til 11:15 and then call it.

Daniel Cornwall (LAM) 11:04 AM  
Works for me.

Scott Carrlee (ASM) 11:04 AM  
I am sure there are a bunch of Alaskans on that webinar. It is all about pest management.

Daniel Cornwall (LAM) 11:04 AM  
Having 26 sessions in a row have some attendance is a good feat.

Scott Carrlee (ASM) 11:05 AM  
Yes that is right. It doesn't bother me. This is supposed to be helpful to people and if there is no particular need this time, then everyone is getting their needs met.

met 11:05 AM

- Jerrie joined the Main Room. ( 11:06 AM ) -

Scott Carrlee (ASM) 11:06 AM  
I have often thought that if we started a chat and only one person had a question that would be fine

Hi Jerrie 11:06 AM  
you are the first 11:06 AM

Jerrie 11:07 AM  
It took me a while to get in. Maybe the others will join us.

Daniel Cornwall (LAM) 11:07 AM  
Jerrie - just for the program to load or did you have other problems?

Scott Carrlee (ASM) 11:07 AM  
Yes I know some people are attending the C2C webinar on Pest management

Jerrie 11:08 AM  
No problems, it just took a while to all download. We have a low band width in Haines. Maybe that was the reason.

Scott Carrlee (ASM) 11:08 AM  
Well Jerrie, I sent the grant off to IMLS

Jerrie 11:09 AM  
Yea. Kris is very excited that she may be able to work with ASM staff. It's a wonderful opportunity.

Scott Carrlee (ASM) 11:10 AM  
Thanks I am glad you and Kris see it that way. I am hoping that the grant reviewers don't see it as a Tom Sawyer way of getting your collections moved  
- Wendy Goldstein joined the Main Room. ( 11:10 AM ) -

Jerrie 11:10 AM  
She and our aide Stacie are pickup up collections documentation quickly. They both love being involved with that part of the museum work.

Daniel Cornwall (LAM) 11:11 AM  
Hi Wendy!

Wendy Goldstein 11:11 AM  
Good morning!

Jerrie 11:11 AM  
It is part Tom Sawyer but if it benefits us and ASM, it is definitely worth it.

Scott Carrlee (ASM) 11:11 AM  
Hi Wendy, low attendance today because of the C2C webinar

Wendy Goldstein 11:11 AM  
Oh right. That's the one I chose to skip.

Scott Carrlee (ASM) 11:11 AM  
We were just discussing the grant I submitted  
For people to come and help us with the move

Wendy Goldstein 11:12 AM  
very cool idea, by the way. Just not something I could spare our only employee for.

Scott Carrlee (ASM) 11:12 AM  
I understand. It is really a commitment to be away from your museum of a whole week or more  
I knew that not everyone could do it but I did get 27 people from 12 museums signed up. 11:13 AM

Wendy Goldstein 11:13 AM  
Great!

Jerrie 11:13 AM  
That's awesome!

Scott Carrlee (ASM) 11:13 AM  
It ended up being about an \$80k ask  
I hope they fund it 11:13 AM  
So did either of you have a question or an issue you particularly wanted to go over? 11:14 AM

Jerrie 11:14 AM  
It has a great educational component so I think they would fund at least some of it.

Wendy Goldstein 11:15 AM  
I don't, but I was wondering how the planning was going for the conference.

Scott Carrlee (ASM) 11:15 AM  
I agree Jerrie, it will help not only us but a significant percentage of museum workers in the state. it seems like the kind of project that might stand out because it is a little quirky

Jerrie 11:15 AM  
I don't. I'm working on figuring out what and when I have to do for the Conference, exhibits, cataloguing back log, a grant app -- the usual.

Scott Carrlee (ASM) 11:16 AM  
We have started the planning. We had our first meeting

Daniel Cornwall (LAM) 11:16 AM  
Scott - should we record this session?

Jerrie 11:16 AM  
I saw a note where you (Wendy) requested babysitting. CJ said they did that in 2003. All agreed we will do it this year.

Scott Carrlee (ASM) 11:16 AM  
I don't think so Daniel, I might just do the transcript

Wendy Goldstein 11:17 AM  
And I have been asked to take on PR roll for the college, so I have even less time for my museum. Oh that's great, thanks.

Daniel Cornwall (LAM) 11:17 AM  
ok

Scott Carrlee (ASM) 11:17 AM  
So if you both don't have anymore questions or topics we could just call it good for this time and meet next month.

Wendy Goldstein 11:18 AM  
ok, sounds good for me.

Scott Carrlee (ASM) 11:18 AM  
Daniel could you advance the slides to the last one

Jerrie 11:18 AM  
That's fine with me. Thanks for doing this, Scott. It has been helpful.

Wendy Goldstein 11:18 AM  
ok, have a good week.

Jerrie 11:18 AM  
By, all.

- Wendy Goldstein left the Main Room. ( 11:18 AM ) -

Scott Carrlee (ASM) 11:18 AM  
In the next chat when there are more people on the chat we need to discuss what questions we  
would ask an expert on the Migratory Bird Act

thank you all for coming 11:19 AM

bye now 11:19 AM
