

Protocol for Reporting Results

Two Categories of Achievement

Complete results will be reported as long as at least 3 students are reported in any cell.

If either proficiency level contains 0,1, or 2 students the number of students will be eliminated and the percentage of students at each achievement level will be reported as a range. In reporting a range of performance the following rules will apply.

Number of Students Tested	Achievement Level Reported
5	60% or more proficient (or not proficient) 40% or fewer not proficient (or proficient)
8	75% or more proficient (or not proficient) 25% or fewer not proficient (or proficient)
10	80% or more proficient (or not proficient) 20% or fewer not proficient (or proficient)
20	90% or more proficient (or not proficient) 10% or fewer not proficient (or proficient)
40 (or more)	95% or more proficient (or not proficient) 5% or fewer not proficient (or proficient)

NOTE: No results will be reported if less than 5 students are tested.
